DEAR FRIENDS:

For the last few days I have been getting reorganized back here in Navotas City, Metro Manila, after a 3-week trip to our churches in the Bicol region southeast of Metro Manila, where I preached in a different location every Sunday. Today, I preached the 4th Sunday in Navotas City. After this news letter, I'm ready for a couple days rest.

I SURVIVED. It was a long and hard trip, but the rewards of reuniting with our congregations, after some long absences, were great. The above drawing was done by a student in our Tabgon, Caramoan, Camarines Sur church and given to me by the congregation in appreciation for being their speaker at their 20th Church Anniversary celebration on March 9. I love it.

A FEW PICTURES from all the locations will be added below, including from my meeting with a new group of Christians at Barangay Lamon in the mountains north of Goa and San Jose. They are meeting in a native style building. Our San Jose church conducted a VBS there last year (see picture below) and will again this year. Hopes for a place for a new building there turned out to be a little more complicated than anticipated. I will keep working on it and update you in the future.

RETIREMENT VISA. All the requirements for my permanent Retirement Visa have been submitted and accepted. We are now just waiting for final government processing to be completed. If there are no problems, it will be done by mid-April.

NEW HOUSING. The construction of a new house for the Garcia family and me is progressing well. As reported last month, it is outside the flood prone Navotas area, but still part of the Greater Metro Manila area. It should be ready for initial occupancy by the Garcia family by May, before the new school year begins in June. I will temporarily remain in my room at the church in Navotas until construction of my room in the new house is completed later this year. See the picture below.

THANK YOU ALL.

Thank you all for supporting me, sticking with me and encouraging me for all these years. God's love and serving Him gets sweeter and sweeter as the days and years go by. I'm not done yet. GOD IS SO GOOD.

IN CHRIST,

DALE
