**DEAR FRIENDS,**

April and May are often called the summer months in the Philippines, identified by hot and humid days, and nights seldom getting below 80 F. Days are consistently in the upper 90's with heat index typically 105 – 110 F. Even with the heat, it is a great time to get things done because it is also the dry season. Now until June, we will evolve into the rainy season. We already have afternoon thundershowers, which will likely become more intense over the next few weeks.

I am doing fine. I will turn 76 next month as I enjoy my 39th year of serving the Lord here in the Philippines and beyond, occasionally, but less frequently in Vietnam and China. God is good. His love endures forever. I continue to be excited about the amazing growth of the ministries I am associated with in Vietnam since 2013, Lighthouse Christian Church and Nissi United Music. The church I've worked with in China since 1987 is doing well, but I have limited communication with them recently because of the political atmosphere. I do still hope to visit Vietnam soon.

**VACATION BIBLE SCHOOL SEASON.**

Vacation Bible School is underway or planned soon in all our churches, or as an outreach to nearby villages. Salvacion Church is doing VBS as a outreach to Barangay Banko, less than 3 miles away. Our Navotas church is having VBS on consecutive Saturdays in May to avoid school scheduling conflicts for the kids and work conflicts for the teachers. Every Saturday we transport about 50 kids from Tanza, where the Navotas church has a weekly outreach, but no meeting place yet.

**BAPTISMS.**

9 young people were baptized at our church in Navotas City on May 4.

**EXPANSION.**

As seen in our VBS outreaches and other activities, we are actively seeking to expand to new areas in Navotas City to Tanza, Salvacion-Ragay to Bangko, San Jose to Limon (I reported on this in my last newsletter), and Caramoan to the islands and mountain villages. There is no update yet on the land purchase in Limon, but it will happen all in God's perfect timing. Please keep all these places in your prayers.

**OUR SHARED TESTIMONY.**

All the places in the Philippines, Vietnam and China that God has enabled me touch over the years were the result of your prayers, support and encouragement. Thank you for striving together with me. Let us keep going. God bless you all.

Dale**
