DEAR FRIENDS,

By November 9 I plan to be on my way **BACK TO THE PHILIPPINES**. I hope to be there for the next year or more, with a trip or two to Vietnam. Of course, this assumes my health cooperates. All the medical tests I have gone through in the last three months have not turned up anything urgent. They all say I'm getting old, but I already knew that. I would rather use the next few years to strengthen the existing churches in the Philippines, Vietnam and China, and, Lord willing, to establish one or two more.

During my time here, I have been able to visit a few churches, including Missouri Valey Christian Church in Iowa last week. I was last there a few years before the pandemic. It was a delight to also reconnect with long-time friends and partners in the ministry, Dwayne & Kelly Whitaker and Frank & Portia Donato. Praise God that some donated tools from the Whitaker family were shipped and have already arrived in the Philippines. They will be a big help in coming projects and replacing some things that were lost in recent floods. This coming weekend, October 5-6, I will be in Billings to attend Valley Christian Church's Annual Harvest Auction for the benefit of missions.

With my trip to Billings this weekend, I will begin transferring some boxes of things to my brother's house there. While I am anticipating being gone long-term, my home base will be his address. I will move out of my apartment in Havre. Of course, my home and primary sending church remains **FIFTH AVENUE CHRISTIAN CHURCH** in Havre. Donations or mission correspondence should continue to be sent there, as listed below. My cell phone number will remain the same (406-879-6565) and can be called without charge while I am here and while I am overseas.

Last Saturday night, a group gathered at Fifth Avenue Christian Church to watch the live streaming or our Sunday morning service at Faith, Hope and Love Christian Church in Navotas, Metro Manila. It is actually broadcast online every week. The viewing time here in Montana is 7:00 PM – 9:00 PM Saturday evenings during Daylight Savings Time (change to 6:00 PM – 8:00 PM when the USA goes back to Standard Time on November 3). If you have trouble finding the link,

GO TO: www.facebook.com/FHLNAVOTAS and look for the live or past broadcasts. Or message me and I will send the link.

PLEASE BE PRAYING for all our members and families in the Philippines. There is a lot of sickness now born out of the recent floods and persistent rainy weather. Some just have common respiratory issues, but we are also experiencing a lot of tropical things like Dengue Fever, spread by mosquitoes. My faithful co-minister, Arnel Garcia, is now in bad shape with Dengue and a kidney infection.

THANK YOU FOR BEING FAITHFUL PARTNERS IN THE MINISTRY

I was first called to be a missionary in 1982 (42 years ago) and I have been mostly in the Philippines since 1986 (38 years). The longer I serve the more I realize that it was not just me called, but all of you who have had a heart for the people in the Philippines, China and Vietnam, and you have encouraged me, supported me, and prayed for me through all these years. LET US REJOICE TOGETHER IN ALL THE GOD HAS DONE AND WILL DO.

In Christ,

Dale
